2009 Huntington Lighthouse Music Fest expected to draw record crowds

Huntington Bay, NY—Plans are set for the third Annual **Lighthouse Music Fest**. Raft up your boat to enjoy this unique musical show, the worlds only music festival live from the roof of a historic Lighthouse in the middle of a scenic bay.

The Music Fest is scheduled for Labor Day Weekend, Saturday, September 5th from 11 am – 6pm. (Raindate: Sunday, September 6th.)

Last year, a crowd of over 2000 music-loving mariners enjoyed this FREE annual celebration of "**See the Light and Feel the Sound**".

As in years past, this years talented bands will provide fantastic music from noon til sunset. The incredible *pirates* from **Ye Pyrate Brotherhood** will be back again adding fun and mischief as they roam boat to boat to plunder donations for ongoing restoration and maintenance. The scheduled vintage *air show* will be bigger and better, too!

Dignitaries from the Town of Huntington, State of New York and Suffolk County including NY State Assemblyman Andrew Raia will join President Pam Setchell in kicking off this years event.

Saved from the wrecking ball in the 1980's by a concerned group of local residents, the Huntington Lighthouse has helped guide mariners through Huntington and Lloyd Harbors for a century and a half.
