The famous Lighthouse Musicfest is *"the only concert in the world held on top of a working lighthouse in the middle of the water!"* Extraordinary bands of all musical genres, provided by HDH Davidson Entertainment, will perform live from the top of the Lighthouse to a mooring field of over 700 boats. Boats of all sizes and kinds will be able to enjoy the music from 11 am until sunset and landlubbers will be able to hop on board a charter vessel for the day! The ever-colorful group of crazy pirates from "Ye Pyrate Brotherhood" will be holding up ships for bounty to fundraise for the ongoing preservation of the Huntington Lighthouse.
